THE COURT DUE TO COVID-19 PANDEMIC**

JOURNAL ENTRY

The Judge of the Ashtabula Municipal Court makes the following findings of fact:

1. The Centers for Disease Control and Prevention (CDC) is responding to an outbreak of respiratory disease caused by a new coronavirus. The virus has been named "SARS-CoV-2" and the disease it causes has been named "coronavirus disease 2019" (abbreviated "COVID-19).
2. On March 9, 2020, Ohio Governor Mike DeWine issued Executive Order 2020-01D, "Declaring a State of Emergency," in response to the growing COVID-19 public health crisis. Governor DeWine and public health officials urged people to avoid large, indoor gatherings to minimize close-contact and potential exposure to the coughs or sneezes of others. Governor DeWine has ordered that all Ohio schools take an extended 3-week spring break beginning Monday, March 16.
3. On March 12, 2020, Governor DeWine and Ohio Department of Health Director Amy Acton, M.D., MPH signed an order to prohibit mass gatherings in the state of Ohio. Mass gatherings are defined as any event or convening that brings together 100 or more persons in a single room or single space at the same time such as an auditorium, stadium, arena, large conference room, meeting hall, theater, or any other confined indoor or outdoor space.
4. The Ashtabula Municipal Court has consulted with the Ohio Supreme Court, judges of various other Ohio courts, the Ashtabula County Board of Commissioners, local and state agencies, and upon recommendations obtained from the foregoing, including the U.S. Government, hereby declares an emergency and makes the following orders regarding the continuity of operations of the court.
5. Based upon these findings of fact, The Ashtabula Municipal Court has developed a continuum of flexible responses in the event this public health crisis escalates, and the same shall be in effect such time as the response to the COVID-19 local health crisis has resulted in control of the spread of the disease or otherwise until further order of the court. The continuum of responses is intended to protect public health, to maintain essential court functions, and to continue to protect the rights of all individuals subject to authority of the court.

If a recording capability is not available or accessible, and a record is desired or necessary, the court and parties shall jointly craft a statement in lieu of a transcript of the proceedings in accordance to the appellate rules.
11. Court staff, attorneys, witnesses, necessary persons and security personnel who exhibit signs of illness notify Court Administrator/Clerk of Court, Tonja Amato, by telephone or email and shall not come into the courthouses or report for duty unless specifically instructed to do so by Court Administrator/Clerk of Court.
